CTS Lync Service Offering

Service Tiers and Features	Rates
<u>Basic</u> Provides chat, presence, mobility support, peer-to-peer conferencing, and ability to participate in multi-party conferences	\$3.50 per user/month
<u>Enterprise</u> All Basic features, plus the ability to initiate multi-party conferences	\$4.75 per user/month

Rates based on 7600 users, increasing to 10,000 users over 5 years. Additional sales would provide CTS the opportunity to reduce rates further.
